

## 2 DAYS - WORKSHOP

# Strengths-based Leadership Program For Introvert Leaders

**A PRACTICAL, HIGHLY-EXPERIENTIAL WORKSHOP DESIGNED TO HELP LEADERS AND MANAGERS EXCEL AT COACHING OTHERS FOR HIGHER PERFORMANCE.**

### WORKSHOP IS FOR PEOPLE WHO ARE:

Introvert leaders, managers of any level or business owners wanting to unlock their full potential and improve leadership communication from the inside out.

**“Unlock your potential. Building on your quiet strengths from the inside out”**

**Maximize Leadership Potential & Introvert Advantage**

**Unlock Your Strengths, Blind Spot & Weakness**

**Magnify Your Uniqueness**

**Lead, Communicate & Influence Better**

### Learning Journey

#### Day 1: Strengths-based Leadership Development

This workshop is designed to help introvert leaders to understand their introvert advantage and bring out their full potential using Clifton StrengthsFinder®, professionals can identify their dominant talent themes and understand their naturally recurring patterns of thought, feeling and behavior that could contribute to the way they interact with their team members.

#### Day 2: Leadership Communication For Introvert Leaders

This workshop is designed to help introvert leaders communicate with impact through a practice session of essential communication skills such as:

- Self & Team Appreciation
- Assertive & Collaborative Communication
- Powerful Questioning Skill
- NVC Communication & Handling Difficult Conversation
